

FLAT CREEK

BAPTIST CHURCH

WEEKDAY PRESCHOOL

Parent Handbook
2022-2023 School Year

161 Flat Creek Trail • Fayetteville, Georgia 30214
www.flatcreekbaptist.org • 770-487-4890

March 1, 2022

Dear Parents,

Welcome to Flat Creek Baptist Church Weekday Preschool! The teachers and I are excited to have your family as part of our preschool program this year. This handbook contains helpful information, policies, procedures, curriculum, and other important information you will need throughout the year. Please read this handbook before the start of the school year.

Our early childhood teachers are committed to offering your child an age-appropriate, Christian education. We are dedicated to your child and will encourage them to explore and discover God's wonderful world.

Thank you for sharing your precious children with us this year. We will pray with them, play with them, learn with them, and love them!

If you have any questions, please feel free to contact me.

In Christian Service,

A handwritten signature in black ink that reads "Christina Keown". The signature is written in a cursive, flowing style with a long horizontal line extending from the end of the name.

Christina Keown
Director of Weekday Preschool
Flat Creek Baptist Church

Philosophy

We believe Psalm 127:3, “children are a gift from God,” and that Flat Creek Baptist Church Weekday Preschool can provide an environment in which children may grow “in wisdom and stature and in favor with God and man” (Luke 2:40). Through these beliefs, we are dedicated to love and nurture each child as they are encouraged to develop socially, spiritually, emotionally, intellectually, and physically.

Mission Statement

The mission of Flat Creek Baptist Church Weekday Preschool is to provide a quality Christian program within the church setting that will promote the maximum growth and development of each child.

1. To meet his/her social, emotional, physical, cognitive, and moral development needs through age-appropriate curriculum and materials.
2. To provide a safe, healthy, and stimulating environment in which to play and learn.
3. To facilitate sturdy growth by providing adequate space, freedom of movement, and daily routine.
4. To foster self-esteem through love and acceptance.
5. To introduce opportunities for social interaction.
6. To help children develop self-discipline and problem-solving skills.
7. To guide and encourage independence.
8. To encourage creativity.
9. To allow children to achieve all the preceding and to hear and learn about God’s love in a Christian environment of love and concern.

Policies and Procedures

Absences

Attendance is vital to the success of a student at any age and younger children thrive on routine. Poor attendance can cause a lapse in routine and children can easily fall behind their peers. If your child is well, please make sure they attend each school day. Please contact your child's teacher or the preschool office if your child is to be absent from school regardless of the reason. Also, please notify the school promptly if your child has a communicable disease or illness so that notices of possible exposure can be sent out.

Admissions and Registration

Classes are filled on a first come/first serve basis. Students placed on a wait list will be added by the order in which they were placed on the list.

Children from age 2 through age 4 are accepted without regard to race, sex, color, religion, or national origin.

Children with special needs are evaluated on an individual basis. Please notify the school of all special needs at registration. If we feel a child's needs exceed our training, equipment, or other circumstance, the parent or guardian will be notified. We want all children to succeed and part of this is making sure they are placed in the proper learning environment.

Registration for a school year opens in the spring and will remain open throughout that school year. All registration forms must be completed and fees received for a registration packet to be processed and a child to be placed in a class. Registration fees are non-refundable. Parents are responsible for keeping the school informed of any changes to the information turned in during registration. Such as, contact information, child's physician, work locations, child's health status, any changes in family situations, etc. Registration instructions are located in the Registration Packet located on our website.

Accident Policy

In the event of a student accident, regardless of severity, a teacher will complete the Ouch Report. Ouch Reports must be signed by the teacher, parent and director and kept in the student's file. Parents are welcome to make a copy of the report or request a copy. If a teacher feels the accident should be reported to a parent quickly, then the teacher or director will call the parent immediately but also fill out the Ouch Report. In the event of a serious accident the teacher or other staff member will call emergency medical personnel and notify the parents.

Animal Policy

Animals are not allowed to be brought on campus by parents or students. This includes riding in the car when dropping off or picking up students. Animals may be brought on campus by teachers but only with prior approval from the director. Animals may also be brought on campus by a third party for curriculum enhancement purposes or other activities with prior

approval. If your student has allergies to animals, please include this information when registering.

Behavior/Student Code of Conduct/Disciplinary Procedures

Physical Behavior Issues

We understand that biting is a common behavior and a natural development phase in children. Children are constantly monitored to prevent biting; however, it can still occur. Children who are bit are evaluated for medical treatment and consoled if upset. Parents are notified via an Ouch Report sent home in their child's folder if the incident is not severe. Parents may be contacted via phone if the bite is more serious. Some communicable illnesses can be transmitted by a bite, and professional medical evaluation is recommended.

Children who bite, hit, push, kick, or have any form of negative physical contact with another child or teacher will be told verbally that this behavior is unacceptable. If a child continues, the teacher may take steps to correct the behavior and protect other students. Parents will be notified of each physical incident and asked to help correct the behavior. Physical behavior issues can potentially be a very serious safety issue. If a child's physical behavior issue cannot be resolved it can be a reason for dismissal from our program.

Aggressive, Bullying and Noncompliant Behaviors

Aggressive or bullying behaviors by students towards teachers, staff or other students are not permitted. Parents of students showing aggressive, bullying, or noncompliant behaviors will be notified by the teacher. A plan to encourage positive behavior must be agreed upon by both teachers and parents. If aggressive, bullying, or noncompliant behavior continues it can be a reason for dismissal from our program.

Parent behavior toward teachers and staff must be respectful and non-aggressive. Aggressive behavior by parents is not permitted and is a reason for dismissal from our program.

Student Code of Conduct

Students are expected to:

- Not intentionally harm themselves or others
- Be kind to others
- Not bring any dangerous items to school
- Follow directions based on age appropriateness
- Not leave the classroom/playground without permission
- Not hit, spit, bite, push, kick, or physically harm others
- Not verbally harm others (i.e., bullying, name calling)
- Participate in classroom activities
- Follow playground rules
- Not throw items
- Not use offensive or obscene language

- Not intentionally destroy school property

If the Student Code of Conduct is violated, a parent will be notified by phone, or another means of direct communication. Continued violations may result in the student being placed on a behavior improvement plan or dismissed from school.

Disciplinary procedures are not limited to the above, and the administration has final discretion in decisions involving school expulsion. Re-enrollment can be denied based on past behavior violations.

Flat Creek Baptist Church Weekday Preschool wants every student to succeed. We currently do not have special needs professionals on staff. If a child's behavior or other needs are out of the scope of our teacher's training, the child may be denied admission or dismissed from school. The preschool has contact information for resources in our community and other schools who serve students with special needs. Referrals for services or other schools are available by request.

Birthdays

We understand how excited preschoolers are to celebrate their birthdays and each student will receive special recognition on that day, however, we do not have birthday parties at the school. Please do not send party favors such as balloons or decorations. We do allow cupcakes, cookies, or cake to be sent for snack time and the class will sing Happy Birthday at that time. Due to allergy concerns, these must be store bought, labeled with ingredients and nut free.

Birthday party invitations cannot be given out at school unless the entire class is invited.

Child Abuse

We are required by law to report any suspected abuse, neglect, exploitation, or deprivation of a child to the Department of Family and Children's Services.

Clothing

Please have your child wear comfortable clothing that is appropriate for the weather and season. Keep in mind that weather permitting, children will play outside each day. Please make sure all jackets or other removable clothing items are labeled with your child's name. Shoes should have rubber soles and be appropriate for outdoor play. No flip-flops, as this can be hazardous on the playground equipment. If a dress is worn, please make sure there is appropriate shorts worn under the dress.

A change of clothing, including underwear, for all children should be sent to school in a Ziploc bag labeled with your child's name. These will be kept in the event your child's clothing becomes wet or soiled. If these clothes need to be used, please send another set of clothes to the school. Clothes will be sent home at the end of the year.

Communication

Communication between home and school is essential to your child's school success. We ask that tuition, notes concerning changes in pick-up routines, or any other correspondence from home be placed in your child's communication folder that will be provided by the school. These folders should always remain in your child's backpack.

Teachers also utilize online communication through the app SeeSaw. You will be sent home information at the beginning of the year with instructions on how to download and use the app. This app can be used for direct private communication with your child's teacher. Teachers can also send out class-wide announcements and reminders.

The preschool sends home a monthly newsletter called Parent's Scoop. This newsletter will be sent home either in your child's folder or through the SeeSaw app.

The preschool uses online communication via our website and social media accounts. The website has important information such as our calendar, registration information, the Parent handbook, supply lists, and more. Social media accounts are used to share school wide updates, events, and showcase some of the amazing things our students do while at school.

Parent/teacher meetings regarding communication about care-giving issues, health concerns, and behavior issues can be scheduled by a parent, or a teacher as needed.

COVID-19

We are continuing to monitor the COVID 19 pandemic situation as it evolves. Our top priority is to ensure the safety of our students and staff. We follow the current guidelines and recommendations provided by the CDC and the Georgia Department of Health. This policy below was current at the time of publication. These guidelines and recommendations may change throughout the year.

What are we doing?

1. To reduce the number of people students come into contact with, we have made the following changes:
 - a. Only one class is allowed on the playground at a time.
 - b. No sharing of classrooms or restrooms.
 - c. Classes must be distanced from each other during Chapel time in the worship center.
 - d. Classes will be distanced from each other during dismissal.
 - e. Students will be spaced out in the classrooms as much as possible.
2. Much of preschool learning is hands on. With this in mind, our teachers will require students to wash their hands frequently throughout the day. Including, but not limited to, when they first arrive at school, before and after a shared center activity, after using the restroom, before snack time, or any other time the teacher feels it is needed. If hand washing is not available, hand sanitizer will be substituted.

3. Students will have separate and unshared classroom supplies.
4. Assistant teachers have been tasked with frequent sanitizing of surfaces in the classroom and restrooms.
5. Water fountains are not in use. We asked that parents send in a water bottle or sippy cup daily. Students can also be given a disposable cup at snack time or as needed throughout the day.

What should my family do?

1. Your child should stay home if he or she has a fever of 99.5 degrees or higher. A child must be fever free for 24 hours before returning to school, regardless of what illness they have.
2. Your child should stay home if he or she has had a respiratory infection, persistent cough, regular sneezing (not allergy related), shortness of breath, rash, vomiting, pink eye or diarrhea, within the last 24 hours.
3. Your child should stay home if in the previous 10 days he or she has been exposed to someone who has a confirmed diagnosis of Covid-19. Day 0 of quarantine is the last day of exposure.
4. Your child should stay home if someone in your child's household has been diagnosed with COVID-19. Your child must stay home for 10 days and be symptom free 24 hours before returning to school. Day 0 of quarantine is the last day of exposure.
5. Your child should stay home for 10 days and be symptom free for 24 hours if he or she has been diagnosed with COVID-19. Day 0 is either the day symptoms started or the date the first positive test was administered. At home tests do not apply.
6. Your child should stay home for 10 days after international travel.
7. If you child has any illness, please notify your child's teacher immediately.

Please note that protocols concerning our students are based on a non-vaccinated status since the COVID-19 vaccination is not available to the age students who attend our school at the time of publication of his handbook. This protocol is also based on a non-masked status since most of our students are too young to wear a mask appropriately.

What will happen if there is a confirmed case in the school?

If we have a case of confirmed exposure at school, a targeted closure of that class may occur. Parents will be notified as soon as possible of exposure and will be given guidance on how to proceed using the most up to date protocols.

We will follow Fayette County Schools in the event of a system wide voluntary closure and will follow any state mandated closures or other related mandates.

Curriculum

All classes use the WEE Learn curriculum. This program is a developmentally appropriate and comprehensive weekday curriculum for preschool-age children that is grounded in evidence-based educational practices. WEE Learn is designed to lay a foundation for biblical

understanding as well as academics such as pre-reading, pre-writing, phonics, and number skills. Our teachers use a variety of teaching methods such as centers, hands-on activities, and play to reinforce learning. A sample of this curriculum is available on our website.

Curriculum Enhancements

Each classroom is equipped with books, puzzles, blocks, manipulatives, home living and dramatic play areas, and centers for art, music, science, and nature. Children also participate in creative arts, listening activities, music and movement and indoor and outdoor play time as part of their daily routine. In addition to these enhancements, the following are also part of the curriculum. Curriculum enhancement may change throughout the year.

Chapel

Each week the 3 and 4-year-old classes attend Chapel in our church worship center with our Children's Minister. They enjoy Bible stories and worship through song and fun activities. The two-year-old classes do not attend Chapel.

STEM (Science, Technology, Engineering, & Math)

The WEE Learn curriculum for four-year-old classes has a built in STEM enhancements. These activities focus on introducing science, technology, engineering, and math concepts.

Let's Find Out

The preschool subscribes to Scholastic's *Let's Find Out* magazine. This monthly publication is available in our 3-year-old classes and 4-year-old classes.

In-House Field Trips & Guest Speakers

Due to COVID-19, we are not planning off campus field trips. Field trips are a great way to enhance learning and experiences of preschoolers. Instead, in-house field trips will be provided for 3 and 4-year-old classes. These field trips may require an additional cost. We also invite speakers such as the firefighters, nurses, police officers, farmers, and others to come on campus and share a little about what they do.

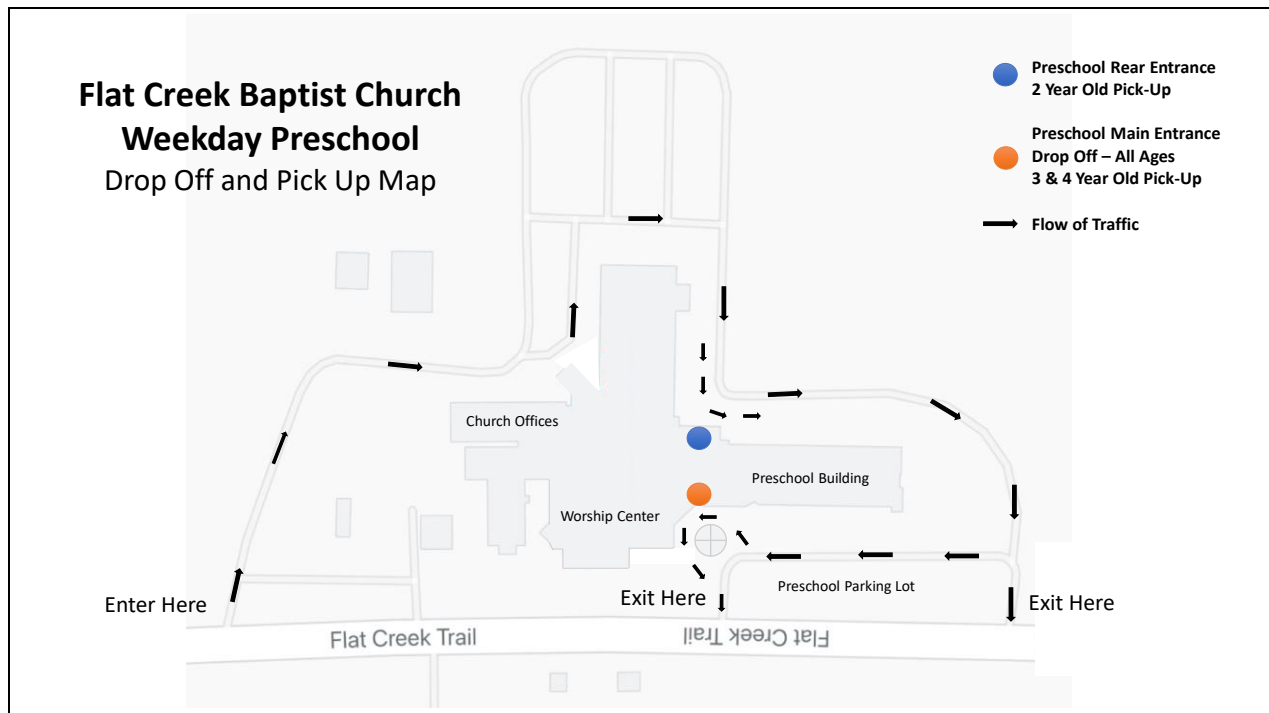

Custody Issues

If a student has been placed with a guardian and a parent(s) does not have custody, legal court documentation will need to be provided for school records. Please report any custody issues to your child's teacher and the preschool director so the preschool can help keep your child safe.

Discipline

Preschool teachers are not permitted to use any form of corporal punishment or refuse access to basic needs for disciplinary purposes. Discipline in the form of verbal correction and redirection are allowed. If a student does not respond to verbal correction or needs repeated redirection, a parent will be notified and a plan to encourage positive behavior or actions may be implemented. Also see Behavior/Student Code of Conduct.

Drop Off/Pick-Up Map

Drop Off/Pick Up – Two Year Olds

Parents can enter the building at 8:55 am through the front preschool entrance only. Do not enter through the main church entrance. Drive through drop off begins at 8:55 am. After the first week of school, parents are encouraged to use the drop-off line instead of walking their child to class. If you wish to walk your child into the building you must first park your car in a designated parking space not blocking the drop off/pick up line. A faculty member will be there to help your child to class. Never leave a child unattended in the drop off line. Drop off ends at 9:10 am. If you arrive after 9:10 am, you will be required to park your car and walk your child to their classroom.

Pick up for two year olds will begin at 11:45 am at the rear entrance of the preschool building. Pick-up ends at 12:00 pm. If you arrive after this time there will be a late fee of \$10.00 for the first 15 minutes and \$5.00 for each additional 5 minutes. A child whose parent/guardian has not arrived by the end of pick up will be sent to the Director's office until the parent/guardian arrives.

To pick up your child in the pick-up line you must display your car rider tag. These will be given out at open house. These tags must be displayed in your car windshield during pick-up. If you do not have this tag you will be required to show identification. Children will only be dismissed to adults with a car tag or whose name appears on the authorized child pick form. Please make sure this information is kept current with the preschool office.

Drop Off/Pick Up – Three and Four Year Olds

Parents can enter the building at 8:55 am through the front preschool entrance only. Do not enter through the main church entrance. Drive through drop off begins at 8:55 am. After the first week of school, parents are encouraged to use the drop-off line instead of walking their child to class. If you wish to walk your child into the building you must first park your car in a designated parking space not blocking the drop off/pick up line. A faculty member will be there to help your child to class. Never leave a child unattended in the drop off line. Drop off ends at 9:10 am. If you arrive after 9:10 am, you will be required to park your car and walk your child to their classroom.

Pick up for three and four year olds will begin at 12:00 pm at the front of the preschool building. Pick-up ends at 12:10 pm. If you arrive after this time there will be a late fee of \$10.00 for the first 15 minutes and \$5.00 for each additional 5 minutes. A child whose parent/guardian has not arrived by the end of pick up will be sent to the Director's office until the parent/guardian arrives.

To pick up your child in the pick-up line you must display your car rider tag. These will be given out at open house. These tags must be displayed in your car windshield during pick-up. If you do not have this tag you will be required to show identification. Children will only be dismissed to adults with a car tag or whose name appears on the authorized child pick form. Please make sure this information is kept current with the preschool office.

Emergency Closures

Flat Creek Baptist Church Weekday Preschool will follow the school calendar provided except for emergency closures. Emergency closings of school due to storms, snow, etc., will follow the same procedure as Fayette County Schools. Fayette County Schools will announce closures on their website, Facebook page, and through local TV stations and we will announce closure on the Flat Creek Baptist Church Weekday Preschool Facebook page and teachers will contact parents via online communication.

If the preschool building were deemed unsafe for any reason while students are at school, students will be taken to a safe building or location on campus and parents will be contacted as soon as possible to pick up their children.

If the preschool building has a prolonged loss of utilities, such as water or electricity, school administration may require parents to pick up their children from school early.

Field Trips

*Please note that due to COVID we not planning off-campus field trips at this time. Please see the Curriculum Enhancements section of the handbook for information about in-house field trip opportunities.

Field trips are a valuable educational aid for children. Church buses are used for field trips and only driven by authorized drivers. Our buses do have seat belts and children are required to use them. Parent chaperones are needed for field trips, but siblings or other children are not allowed to attend.

First Aid and Emergency Procedures

All teachers and assistants employed by Flat Creek Baptist Church Weekday Preschool have taken CPR and First Aid classes. Minor scratches and scrapes are treated with soap and water and an adhesive bandage. More severe conditions result in a call to the parent to come and check whether a visit to a doctor is warranted.

In the case of a severe illness or accident, the school will attempt to contact a parent or guardian for direction of treatment. In the event a parent cannot be reached or when the judgement of staff deems it necessary, emergency medical personnel will be called. The school when then proceed as advised by emergency medical personnel.

Immunizations

The Fayette County Health Department and the Georgia Department of Human Resources require that we have on file your child's Certificate of Immunization, form #3231. This can be obtained by your child's physician or the local Health Department. This form must be turned in with the registration packet for your child to have a spot reserved for the upcoming school year. Children must have up to date immunizations to attend our school or a legal exemption form.

Medications

Flat Creek Baptist Church Weekday Preschool does not administer medication of any kind to the children of the preschool. If a child needs a medication, a parent must come to the school and personally administer the medication.

Notice of Exemption

Flat Creek Baptist Church Weekday Preschool is not licensed by Bright from the Start: Georgia Department of Early Care and Learning and is not required to be licensed. The program is not regulated and may not be routinely inspected. Exemption Provider Number: EX-53871

Personal Belongings

Children are not allowed to bring personal belongings from home to school. The preschool cannot be responsible for these items nor can we ensure the safety of other children if we allowed personal belonging to be brought to school. Exceptions to this rule can be made by a teacher for her class only, such as a show and tell day, and will be communicated to parents by your child's teacher.

Room Parent and Parent Volunteers

Each class may ask for one parent volunteer to serve as room parent. Room parent responsibilities will vary from class to class but the person in this role can typically expect to assist with holiday parties, coordinate parent volunteers for special activities, and other teacher requests. Room parent communication with parents, such as letters or online sign-ups, must be approved by the Preschool Director prior to being sent.

Other parent volunteers are welcome and encouraged to help in classrooms and school events throughout the year. Your child's teacher or the designed room parent will contact parents about volunteer opportunities.

All volunteers must comply with school policies and procedures.

Please note that school and church administration are monitoring the current changes concerning the COVID-19 pandemic. The number of visitors and volunteers may be limited or restricted based on recommendations from the Fayette County Health Department or the Georgia Department of Health. Our school also follows Fayette County Schools concerning closures, including those for health-related purposes.

Scholarship Information

The Joan Priester Preschool Scholarship is available for families in need. This scholarship is a need based, limited scholarship. Applications are accepted until June 1st for scholarships awarded starting in the fall. For more information on this scholarship, please contact the FCBC Preschool Director.

School Dismissal

The preschool retains to the right to dismiss a student for the following reasons:

- Failure to pay tuition or pay tuition on time.
- Violations concerning the Student Code of Conduct.
- Special needs that exceed our teacher's training.
- A parent or guardians' refusal to follow policies and procedures laid out in the Parent Handbook.

School Emergencies

Contingency plans for school emergencies are posted in each room of the preschool. Fire, bomb threat, and tornado drills are held during the school year. Parents on the premises at the time of the drill must participate. If there are building malfunctions such as heat, electricity, or water for over thirty minutes, parents will be notified to pick up their children.

School Hours

Two-year-old classes

School Hours 8:55 am - 11:45 am

Drop off 8:55 - 9:10 am/Pick up 11:45 am - 12:00 pm

Three and Four year old classes

School Hours 8:55 am - 12:00 pm

Drop off 8:55 - 9:10 am/Pick up 12:00 – 12:10 pm

Seat Belt Policy

Per Georgia State law, preschool age children are required to be in car seat. Students will not be allowed to leave in a vehicle without an age-appropriate car seat.

Teachers are not allowed to buckle a child's seat belt or car seat belt during pick-up. If a child needs assistance with their seat belt or car seat, parents must move out of the pickup line and park their vehicle in a designed parking spot before assisting their child. Please do not exit your vehicle during drop-off or pick-up time.

Security

All doors to the preschool and church are locked during operating hours. Parents should enter only through the preschool building, not the church main entrance. To enter the building, press the call button located on the door and give the receptionist your name and intentions. A staff member will be called to let you in the building. You may be required to show identification.

Parent visitors or volunteers will be given a visitor sticker identifying them as being allowed in the building and must wear it during the duration of their visit.

Snack Time and Allergies

Each class participates in a mid-morning snack time. Water can be provided by the school but we ask that each child bring their own water bottle labeled with their name daily. Parents provide snacks for the entire class on a rotating basis. Your child's teacher will contact you about signing up or send home a rotating snack list.

Our school is a nut free school. Snacks containing nuts or snacks made in a facility with nuts are not allowed on campus. Your teacher will also provide each class with a list of other allergens within the classroom. All packaged snacks must be sealed, unopened, and include the list of ingredients. Unfortunately, we cannot accept homemade snacks due to the lack of ingredient labeling and the risk of contamination with allergens during preparation. We do encourage healthy snacks such as fruits, raw vegetables, yogurt, pretzels, and cheese.

Supply List

Supply lists for each class will be posted to our website before the start of the school year. We ask that parents please provide the items on the list at open house or the first day of school.

Tuition and Classes

2-year-old (2 days per week/Tues and Thurs) \$1,650/year or \$165/10 months
Must be age 2 by September 1, 2022

2-year-old (3 days per week/Tues, Wed, Thurs) \$1,850/year or \$185/10 months
Must be age 2 by September 1, 2022

3-year-old (3 days per week/Tues, Wed, Thurs) \$1,850/year or \$185/10 months
Must be age 3 by September 1, 2022

3-year-old (4 days per week/Mon, Tues, Wed, Thurs) \$1,950/year or \$195/10 months
Must be age 3 by September 1, 2022

4-year-old (4 days per week/Mon, Tues, Wed, Thurs) \$2,050/year or \$205/10 months
Must be age 4 by September 1, 2022

Tuition can be paid annually or monthly. The annual tuition payment is due on the first day of school. Monthly tuition is due on the first operational school day of the month. If tuition is paid late, 5 days after the first operational school day of the month, a late fee of \$15 will be charged.

Tuition can be paid by check or by using the online option on our website. Please make checks out to Flat Creek Baptist Church Weekday Preschool and include your child's name on the memo line. If using our online payment system be sure to select the Weekday Preschool Tuition option before submitting. Checks returned or denied online payments for any reason will result in a \$35 charge to cover bank fees.

No tuition refunds will be made for short or long term absences. In the event of an extended absence for any reason, tuition must be paid in order to reserve your child's spot in the class. If a one-time annual tuition payment was made and the child officially unenrolls from the school, a prorated amount may be refunded from the date of the official unenrollment to the end of the school year. To officially unenroll, a parent or guardian must submit a dated and signed letter of intent to the preschool director.

Wellness Policy

A child who has exhibited any of the following symptoms within the previous 24 hours is possibility contagious and should not attend school. If a child exhibits any of the following symptoms while at school, a parent or guardian will be called to pick up the child.

- Symptoms of Flu or COVID-19
- Fever, rash, or skin infections
- Clear, runny nose that cannot be related to a known cause, such as an allergy
- Common cold, sore throat, or cough
- Runny Nose with colored discharge

- Diarrhea, vomiting, or upset stomach
- Sore or discharging eye, pinkish in color

If it is suspected that a child has lice, the parent will be called to pick up the child. The child will not be allowed to return to school until treated or has a doctor's note. If a case of lice is found in your child's class, parents will be notified.

**Flat Creek Baptist Church Weekday Preschool
